

Dear Friends:

June 5, 1984

The cost of your U.F.M.C.C. stained glass window has been paid by the Mid-Central District. Your window is completed but no additional payments have been received. If you feel that the additional \$5.00 we had to add for boxing and shipping is unfair I will personally pay for it myself (let me know). I have not heard from you since my letter of April 23rd.

Please make at least a \$10.00 payment. These windows took months to make and a great deal of love and care has gone into them. They will bless your church or office for a lifetime, and are well worth the price.

Please be responsible and let me hear from you.

In God's Service,

Bonnie

Dear *Rev Ragone*

The M.C.C. stained glass window, which you ordered from the District some time ago, is now ready for shipment to you.

This window will enhance and beautify your office and/or home, and will provide countless hours of joy and inspiration to you, your loved ones and guests.

However, we are unable to ship your window at this time, as our records show there remains a balance due from you. According to the District records, the unpaid balance is as follows:

Selling Price	-	\$70.00
Shipping Charge	-	<u>5.00</u>
Your Total Cost	-	\$75.00
Less: Your payments to date	-	<u>5.00</u>
Balance Due	-	<u>\$ 70.00</u>

We regret that we must request payment in full before your window is delivered to you, since the District has paid the manufacturer in full.

If, for some reason, you are unable to complete the purchase of your window or wish to cancel your order, we request that you notify the District as soon as possible. If you desire to cancel your order, we must request you forfeit your payments to date.

We respectfully request that this matter be concluded as soon as possible. Please send your check or money order or your cancellation notice to either the District Office shown above or to the District Coordinator -
